

Acutus Medical to Announce First Quarter 2022 Financial Results

April 27, 2022

CARLSBAD, Calif., April 27, 2022 (GLOBE NEWSWIRE) -- Acutus Medical, Inc. ("Acutus") (Nasdaq: AFIB), an arrhythmia management company focused on improving the way cardiac arrhythmias are diagnosed and treated, announced today that it will release its first quarter 2022 financial results on Thursday, May 12, 2022. In conjunction with the release, Acutus will host a conference call and webcast that day at 1:30 p.m. Pacific Time / 4:30 p.m. Eastern Time to discuss its financial results and recent highlights.

Interested parties may access the live call via telephone by dialing (833) 570-1131 for domestic callers or (914) 987-7078 for international callers, using conference ID: 3455233. The live webinar of the call may be accessed by visiting the Events section of the Acutus investor relations website at ir.acutusmedical.com. A replay of the webinar will be available shortly after the conclusion of the call and will be archived on the company's website.

About Acutus Medical, Inc.

Acutus is an arrhythmia management company focused on improving the way cardiac arrhythmias are diagnosed and treated. Acutus is committed to advancing the field of electrophysiology with a unique array of products and technologies which will enable more physicians to treat more patients more efficiently and effectively. Through internal product development, acquisitions and global partnerships, Acutus has established a global sales presence delivering a broad portfolio of highly differentiated electrophysiology products that provide its customers with a complete solution for catheter-based treatment of cardiac arrhythmias. Founded in 2011, Acutus is based in Carlsbad, California.
